Living Our Faith

Annual Diocesan Appeal - We have had a great response for the 2013 Annual Diocesan Appeal. To date, we have received pledges totaling \$19,460 towards our goal of \$19,979. Your generosity helps support central ministries of our diocese like religious education of our young people, faith formation of adults, training of our future priests, Newman Centers on our college campuses and much more. If you have not completed a pledge card, please do so. Every dollar raised to make our goal supports important diocesan ministries, and every dollar raised over our goal will be kept in the parish. To those who have pledged, thank you!

World Youth Day - EWTN will be providing extensive coverage of World Youth Day 2013 from Rio de Janeiro from July 23-28. This year's theme "Go and Make Disciples of all Nations" - takes on new meaning as Pope Francis returns to South America for the first time as the Vicar of Christ. Watch the coverage and see if you can spot the St. Luke parishioner who is volunteering there. It can be seen on Mediacom #94, Dish TV #261, Direct TV #370 and www.ewtn.com.

Parish Council Elections - There will soon be two openings on the parish council. The following nomination has been received:

Most of you know me from the church choir where I sing regularly. I have been a member of St. Luke's for about 9 years. I am active in the men's club where I often help with the fish fry, and any other activities the club may sponsor. I am a member of the church's bible study group. I am also currently a member of the church council, where I have been serving out the term of a member who had resigned. That term has ended. During this term the church council planned many of the changes and improvements to the church that have occurred. I wish to continue to be a part of this process. It is for this reason that I ask for your vote. Larry Robinson
