## Living Our Faith

**Annual Diocesan Appeal** - We have had a great response for the 2013 Annual Diocesan Appeal. To date, we have received pledges totaling \$19,560 towards our goal of \$19,979. Your generosity helps support central ministries of our diocese like religious education of our young people, faith formation of adults, training of our future priests, Newman Centers on our college campuses and much more. If you have not completed a pledge card, please do so. Every dollar raised to make our goal supports important diocesan ministries, and every dollar raised over our goal will be kept in the parish. To those who have pledged, thank you!

**Healing Mass** - There will be a Healing Mass on Friday, June 21. Confession and Eucharistic Adoration begin at 6:00 PM, Mass will be celebrated at 7:00 PM followed by the opportunity for individual prayers for physical, emotional and spiritual needs for yourself or someone else. A time for food and fellowship is available in the church hall. Come feel the energy and healing touch of the Holy Spirit through the Mass, prayers and music.

**Thanks!** - The Youth Group is very thankful for your generous support of their plans to attend the National Pro-life March in Washington 2014! We will proudly represent St. Luke's in the March. We raised over \$800 with the combined Saturday and Sunday bake sale. The girls hope you enjoyed their baked goods! Any students entering 6th grade next year are welcome to join the youth group. **Parish Council Elections** - There will soon be two openings on the parish council. The following nomination has been received:

*Most of you know me from the church choir where I sing regularly. I have been a member of St. Luke's for about 9 years. I am active in the men's club where I often help with the fish fry, and any other activities the club may sponsor. I am a member of the church's bible study group. I am also currently a member of the church council, where I have been serving out the term of a member who had resigned. That term has ended. During this term the church council planned many of the changes and improvements to the church that have occurred. I wish to continue to be a part of this process. It is for this reason that I ask for your vote. Larry Robinson*
