Living Our Faith

Annual Diocesan Appeal - We have had a great response for the 2013 Annual Diocesan Appeal. To date, we have received pledges totaling \$19,560 towards our goal of \$19,979. Your generosity helps support central ministries of our diocese like religious education of our young people, faith formation of adults, training of our future priests, Newman Centers on our college campuses and much more. If you have not completed a pledge card, please do so. Every dollar raised to make our goal supports important diocesan ministries, and every dollar raised over our goal will be kept in the parish. To those who have pledged, thank you!

Parish Council Elections - There will soon be two openings on the parish council. The election will be during the weekend Masses on June 29-30. As stated in the parish constitution "Any registered parishioner, eighteen (18) years of age or older, shall be eligible to vote for each of **two** nominees."

The following nominations has been received:

Most of you know me from the church choir where I sing regularly. I have been a member of St. Luke's for about 9 years. I am active in the men's club where I often help with the fish fry, and any other activities the club may sponsor. I am a member of the church's bible study group. I am also currently a member of the church council, where I have been serving out the term of a member who had resigned. That term has ended. During this term the church council planned many of the changes and improvements to the church that have occurred. I wish to continue to be a part of this process. It is for this reason that I ask for your vote.

My name is Mark Mroczko and I am running for the Parish Council. I am the youngest of two siblings and was born to Polish immigrants. Growing up, I spent twelve years in Catholic schools and four years at a Jesuit Medical School receiving a solid education and background into the Catholic Faith. This is where I learned the importance of service to others and the community. My family and me moved into this area about 5 years ago and have been parishioners at St Luke's since then. I currently serve as a Family Physician in Eureka, and have experience on various hospital boards and local community boards. I hope to bring my expertise to this council and serve our Parish as we move forward in these challenging times. Thank you for your consideration.

Mark Mroczko

Hello, I have been a parishioner here at St. Luke's for 14 years. Within that time I have been a CCD teacher for several of those years. My husband David and I have been married for 26 years. We have two children Gretchen, age 20 is junior at Eureka College, studying pre-med. Benjamin, age 17, is a senior at Eureka High school. He has recently enlisted into the Marines and will leave for boot camp next June. I have been a lifelong Catholic. I started out my life as a Catholic as member of St. Mary's of Lourdes Church in Germantown Hills. My Confirmation Saint is Saint Bernadette, whom I have always look to as a guiding force in my life. Other Catholic people that have inspired me in my life to become a better person are Blessed Mother Teresa of Calcutta and Pope John Paul II.

I am a graduate of Eureka College with degrees in Fine Arts and in Theatre. I work at Eureka Community Bank. I am interested in joining the Parish Council, because I feel that it is important to become involved in the Parish. I have never been on the Parish Council. I am looking forward to participating in the decision making process that helps the Parish achieve its goals. Over the years I have seen the changes in the Parish. I would like to become a positive force in helping to guide any future changes.

Thank you for your consideration for me to become a part of the Parish Council.
