Dear St. Luke's Parish,

The Parish Counsel would like to take a moment to tell you about the church's purchase of the new lawn mower. The mower purchased is a Gravely, Zero Turn lawn mower. This type of mower virtually cuts mowing time in half. The mower was also purchased locally, supporting the community and making any future servicing convenient. Gravely is an American company and is made in Brillion, WI since 1916. Gravely also has one on the best warranties in the industry, a 3 year warranty and 5 years on the mower deck and frame. Tom Purfield currently volunteers to mow the church lawn and does an outstanding job. Any donations to help pay for the new lawn mower are greatly appreciated. This Gravely lawn mower should last the church several years and is a great value for the money spent. Sincerely, Parish Council
