My dear Brothers and Sisters in Christ,

As we enter into this Lenten season, the Church once again invites us to use this opportunity to share more fully in the Paschal Mystery of Jesus Christ. It is essential that we cultivate a deeper sense of prayer, fasting and almsgiving to better offer our lives to Our Lord.

As we make our way through the Triduum and to that glorious day of the Lord's Resurrection, I pray that all of us will be ever more attentive to our spiritual devotions and especially to the Word of God during these forty days. May the guidance of the Holy Spirit assist us in our Lenten journey.

### **REGULATIONS FOR LENT AND THE EASTER TRIDUUM**

Lent is the principal season of penance in the Christian year. Priests, religious and laity are strongly urged to develop and follow a program of voluntary self-denial, attentiveness to prayer, and especially to works of charity and mercy.

Everyone of 14 years of age or over is bound to abstain from meat on Ash Wednesday, March 1, 2017, and all the Fridays of Lent.

Everyone 18 years of age and under 59 years of age is bound to fast on Ash Wednesday, March 1, 2017, and Good Friday, April 14, 2017.

On these two days of fast and abstinence, Ash Wednesday and Good Friday, only one full meatless meal is allowed. Two other meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted on these two days, but liquids including milk and fruit juices are allowed. When health or ability to work would be seriously affected, the law does not oblige.

To disregard completely the law of fast and abstinence is a serious matter.

May our Lenten journey bring us closer to the cross and our Resurrected Savior.

Sincerely yours in Christ,

Dear Brothers and Sisters in Christ,

I am writing to alert you about a bill that is pending before the Illinois legislature that, if passed, would use your tax dollars to pay for the taking of an innocent human life through an abortion. The bill is HB 40, and I am told that it may pass if there is not a strong outcry against it.

Since the 1973 U.S. Supreme Court decision of *Roe vs. Wade*, our country has endured the termination of more than 57 million lives. We are working hard to build a culture of life by advocating for laws that make it easier to bring a child into this world. And we are succeeding – the national abortion rate is at its lowest since *Roe v. Wade* was handed down. Unfortunately, the enactment of House Bill 40 would set back those efforts by coercing all who pay taxes to indirectly support the taking of innocent human life. It is worth noting that abortion is an elective procedure and using state tax dollars to pay for it is not only immoral, but also an injustice. A far better use of tax money would be to fund prenatal services for the poor and child care for working mothers, as well as expand health care options for those in need.

House Bill 40 not only mandates state support of abortion, but it would also include abortion coverage in state employees' health care plans and the Medicaid program. Additionally, the bill allows taxpayer money to fund grants to organizations that refer, counsel for and perform abortions – otherwise known as Planned Parenthood.

It should be noted that this radical and totally unnecessary change in law in favor of the abortion industry would take place in a state government that hasn't had a budget in two years and is already facing catastrophic financial challenges.

The Catholic Conference of Illinois, which serves as the public policy arm of the Catholic bishops, has long joined with Catholic Charities and Catholic health care organizations to advocate that essential services be funded. However, as we have seen over the past few years and in the current budget stalemate, their efforts have largely been ignored by state lawmakers and officials. We have to ask why our elected representatives would turn their backs on paying for programs that help the disabled, the elderly, children in need and students, yet find the will to publicly fund the terrible tragedy of abortion. Please contact your state representative to vote against this bill.

If you need assistance in determining the name of your lawmaker, or in sending a message to him or her, go to [www.ilcatholic.org](http://www.ilcatholic.org) or call the Catholic Conference at its Chicago office at 312-368-1066 or its Springfield office at 217-528-9200.

Sincerely yours in Christ,

A handwritten signature in black ink that reads "Daniel R. Jenky, C.S.C." The signature is written in a cursive style.
