## Moms' Wrap meets every Tuesday at 9:00am in the St. Luke's hall.

The month of May is the "month which the piety of the faithful has especially dedicated to Our Blessed Lady". The dedication of the month of May to Mary began in the 13<sup>th</sup> century and continues to this day. This month is a "moving tribute of faith and love which Catholics in every part of the world [pay] to the Queen of Heaven. During this month Christians, both in church and in the privacy of the home, offer up to Mary from their hearts an especially fervent and loving homage of prayer and veneration. In this month, too, the benefits of God's mercy come down to us from her throne in greater abundance" (Paul VI: Encyclical on the *Month of May*, no. 1). Many Popes in the past have dedicated Mary's month to special intentions needed throughout the world. This year, Pope Francis has set a theme "The whole Church was fervently praying to God". He is asking everyone to pray the rosary for an end to the COVID pandemic and all its effects. Pope Francis will begin the initiative by praying the rosary on May 1 which will be broadcast over the Vatican network.
