

Tips for Viewing the Reopening Training Webinar

Thank you for attempting to view the reopening training webinar. We apologize if there were technical some obstacles. Below are some tips that have been helpful to others.

General info: [Here is a link](#) to a support page from Microsoft on how to join Teams Live events. The information applies to joining this “on demand” session, as well.

Sign in: If you are an archdiocesan employee, please sign in with your O365 account (your @archchicago.org account) if you have one. If not or you are a parishioner/volunteer, you can join as a guest.

How to watch: If you are watching on your phone, you will need to have the Teams app. To watch on your computer, you can use the Teams app or you can use a web browser like Google Chrome, Microsoft Edge, or Firefox, but not Safari.

Direct link: If you are having trouble with the link, copy this text into your web browser address bar:
